Star Pack Factory for Cups and Paper Containers – Where excellence begins with the small details!

Since our establishment in 2017, we have been working tirelessly to become leaders in manufacturing high-quality paper packaging in the Egyptian market. Today, we aspire to become the top factory in the Middle East, with ambitious plans to expand our reach and bring our products to European markets.

What do we offer?

- A wide variety of cups and paper containers in different sizes and shapes to meet the needs of our clients.
- All our products come with lids to ensure the highest levels of quality and safety.
- Innovative and customized solutions for every sector, whether you're in restaurants, cafes, or even large companies.

Our commitment to sustainability:

At Star Pack, we believe in the importance of preserving our environment. That's why we are committed to using eco-friendly paper materials that are completely safe for use.

Our vision:

To be your first partner in presenting your product in the best possible way.
We don't just make packaging; we add value to your brand.

Why Star Pack?

Unmatched quality.

Innovative designs tailored to all your needs.

Exceptional customer service and efficient execution.

Commitment to meeting deadlines and timely delivery.

One package can say a lot about your product, and Star Pack makes it speak with excellence.

Vision of Star Pack:

To be the first choice for our customers in the field of paper packaging and PP and PET containers by providing products that meet our customers' expectations.

We use European raw materials and food-grade inks to ensure safety and excellence for our customers across various sectors, while also utilizing biodegradable and eco-friendly materials. This contributes to supporting environmental sustainability and enhancing customer trust across all sectors.

Mission of Star Pack:

We are committed to delivering high-quality and diverse packaging solutions that serve various sectors such as (BBQ chains, bakeries, koshari, foul and falafel, seafood, fried chicken, and ice cream). We also strive to build successful partnerships with our customers by offering products that meet their needs while ensuring excellence in service and quality.

Goals of Star Pack:

Strengthening our position as a leading company in the production of paper packaging and PP and PET containers.

Designing and manufacturing innovative packaging solutions that comply with global quality standards and support environmental sustainability.

Ensuring customer satisfaction by providing high-quality products and unique, exceptional services tailored specifically to our brand.

Penetrating new markets locally and regionally, and expanding our customer base to include more sectors.

Enhancing production processes through investment in advanced technology and the development of human resources.

Building strong and sustainable relationships with suppliers and customers to achieve mutual success.
